

Taking Wing: Connecting Students with STEM through Birds 2024-2025 Application Form

I am applying for the following workshop:

July 8-10, 2024 at Unicoi State Park, Helen

July 15--17, 2024 at Epworth by the Sea, St. Simons Island, GA

I would attend either workshop if I am not selected for my preference above.

(Teams will be given preference. Team members must apply individually.)

Written response: On the following page, please respond in 250 words or less to the following question:

- Why are you interested in this program and what do you hope to gain from participating?

Admission into the program will be offered on a rolling basis. Early application is strongly suggested. Preference given to teachers in Title I and other under-resourced schools in coastal Georgia and the North Georgia region.

Program Dates:

North Georgia Cohort: July 8-10, 2024 – Unicoi State Park

South GA Cohort: July 15-17, 2024 – Epworth by the Sea

***Follow-up one-day workshops in fall 2024 and spring 2025. Dates and locations TBA.**

Written response: Please respond to the following question in 250 words or less and sign your application below.

Why are you interested in this program and what do you hope to gain from participating?

Please consider your commitment carefully before applying. If I am selected as a participant in this program, I will fully participate in all meetings and workshops.
